### LADISLAV NOVAK SOLO EXHIBITION (PART 1) 07.05.2023 – 18.06.2023

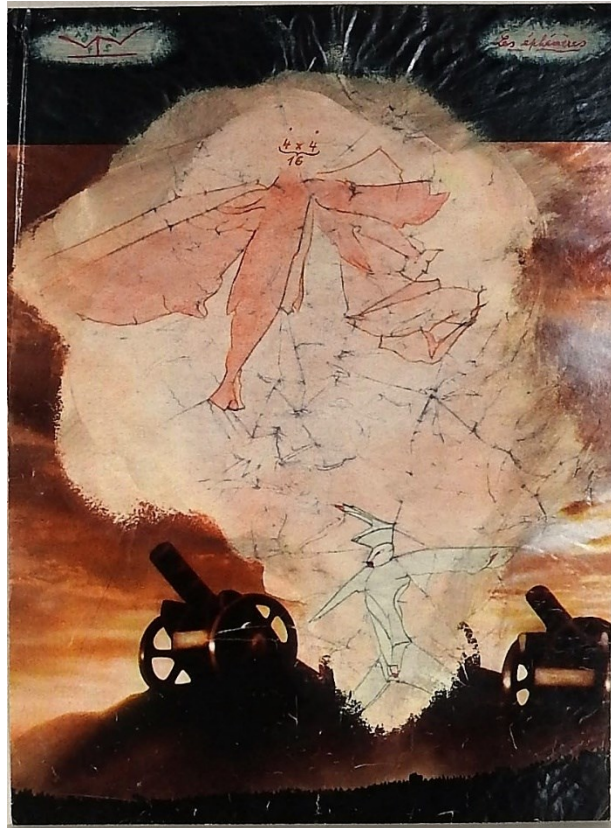

Statement around 1979:

"And tomorrow I return to my exile in Trebic. But where am I at home, really? In Prague? In Venice?  
Anywhere where I have a table to work on, maybe only a piece of foam for a bed and a blanket,  
good light, a hot shower, peace and quiet for work, and someone to have an intelligent conversation  
with once and a while ...  
I'm afraid I'm asking for too much."
